

Maze'Em

Release: Q4 2024

Developed by: Slappy Inc.

Genre: Casual party game, Indie

Target platform: Pc

Maze'Em is a top down game about an ever-changing maze. Take control of your own character and be the first to conquer the maze!

Single player challenge mode!

Test your maze-solving skills in a single player experience. Unlock and complete new levels to progress through the different world of Maze'Em.

Multiplayer mode!

Gather some friends or play against strangers in a - up to 4 player - multiplayer experience! Move the maze to your advantage or cut off the path for your opponent, locking him in place! The first player that collects all his items wins the game!

Meet the cast!

Create your own character for a personalized experience!

An ever-changing maze!

Modify the game rules to your own liking, change the number of maze pieces, maze type and even the number of items you need to collect. Creating the perfect game for your liking. Every maze you encounter will be different from the last one, or pick one of your favorite seeds to play on.
